CFPRODUCTIONS LLC ANNOUNCES OFFICIAL SELECTION OF “WHY DO NAVAJO MEN HAVE LONG HAIR?” AT LA SKINS FEST

FLAGSTAFF, ARIZONA – October 31, 2022 – CFproductions LLC is proud to announce the premiere screening of “Why Do Navajo Men Have Long Hair?” (*working title*), a short 8-minute documentary starring Steve Darden, Makaius Marks, Makairyn Marks, Darrell Marks, and directed by Cherylee Francis, at the historic TCL Chinese Theater in Hollywood on November 19, 2022, 3PM – 5PM.

“Why Do Navajo Men Have Long Hair?” is about MAKAIUS & MAKAIRYN MARKS, two Navajo (Diné) brothers ridiculed for keeping their long hair as they choose to carry on the Navajo traditional hairstyle, the Navajo (Diné) bun, called a *tsiyééł*. Aware of the treatment of his sons’, DARRELL MARKS (father), travels with his children to visit Navajo (Diné) Cultural Expert, STEVE DARDEN, to gain valuable traditional teachings on why Navajo (Diné) men have the right to have long hair.

The LA SKINS FEST is a Native American film festival that takes place every year as part of the City of Los Angeles Celebration of Native American Heritage Month.
